REPORT

A crushing defeat for Hemel IV's which saw them slip to the foot of Division 8B in the Herts League after 4 games. The positive side is that half the division (5 sides) are in the same predicament with only 1 win out of their 4 games played. Bonus points the only divider, unfortunately Hemel have the fewest. Nick Benson the only light in Hemel's batting, scoring 50* out of a total of 85. Only other double figure score was Mike Samuels with 12. Letchworth wasted no time tapping off the runs with their opener Hughes scoring 57*.
