**REPORT**

Rather a one man show for Radlett III's as Jim Lewis opened the bowling and took 5 - 42 and then opened the batting and scored 74. Aside from that Hemel III's tried to make a game of it against the Div5A league leaders. Put in and amongst the Lewis little foray Suren Perera opened and scored 54 with 8 X 4 and 2 X 6, further down the order Liam Jahn hit 27 and at the end Dave Jenkins managed 24. Not much else as Hemel made it to 172 all out. Always a bit short of a total to defend against a strong Radlett III's batting line-up at home and that Mr. Lewis of course. Skipper Anjam Khan returned 3 - 53, Rahul Wickramasinghe 2 - 23 but Radlett had the batting power and won with 6 wickets down in 35 overs.
