**REPORT**

Hemel 2nd XI picked up their 4th win on the bounce to move them up to 4th in Div.3A and the juicy prospect of a fixture against top of the table unbeaten Bishops Stortford II next Saturday. Datchworth put Hemel into bat and although they took out opener Philip Smith in 3 balls most of the following Hemel batters got themselves in for scores. Fellow opener Will Langley topped on 40, skipper Brad Finch made 37, keeper Ryan Wilson made a so and Neil Morgan 23. Not a massive score but at 4 an over to defend, adequate. Brad Finch and Charlie Hoskins out the openers to leave Datchworth at 33 - 2 after 10 overs, but it was the introduction of Dil Khan that swung the Hemel's way. He picked up 4 - 31 from his 10 overs and when he had finished Datchworth were 111 - 7 after 30. Still a bit of resistance from the Datchworth lower order but at the end Stan Hayden was brought on to winkle out tail with 2 - 6 from 2.3 overs.
